

# The Fantastical Voyage of Ariana Mirian...

A woman with dark hair, wearing a yellow floral dress and a blue flower headband, is sitting on a green lawn filled with small white flowers. She has large, translucent green fairy wings attached to her back. She is resting her chin on her hand and looking thoughtfully to the side. In the background, there is a low stone wall with colorful flowers (red, orange, pink) growing along it.

to Stefan ▼

Hi Stefan,

I hope your week has been treating you well. I just wanted to send you a quick note and let you know that I'll be joining you all in the Fall --- I just accepted my offer online. I really had a great time visiting and think that UCSD and the lab are the best decision for me as a researcher and a person. I'm really excited to be joining, needless to say.

I know you had mentioned that coming early was an option, which is something I'd like to definitely explore --- I'm most likely busy/out of country until mid July, but after that would be more than excited to come over and start (if that's an option still). Let me know when it would make sense to talk about this or if there are any next steps that I should be following up on besides the required UCSD documentation for the CS department.

In any case, looking forward to joining you all very soon!

Best,

Ariana

## **6 ACKNOWLEDGMENTS**

This project would not have been possible without the guidance of my mentor, Ariana Mirian. Thank you for walking with me and teaching me the ropes of research. Most of all, thank you for supporting me through all my pursuits from my academics, to my career, to graduate school, and all of my hobbies in between.

A woman with dark, wavy hair is speaking, gesturing with both hands raised. She is wearing a dark blue cardigan over a light grey t-shirt. A red lanyard with white text hangs around her neck; the text includes 'UNIVERSITY OF TWENTE' and 'SOCIETY IN MOTION'. A small white tag is attached to the lanyard. She is also wearing a grey wristband on her left wrist. The background is a plain, light-colored wall.
