AT&T
2:30 PM
“ Hello, good to see you again. How is your research going? ”

AT&T
2:04 PM
“Hello, good to see you again. How is your research going?”
Good actually. Here are my latest results.

AT&T
2:09 PM
“I don’t understand "your latest results". How about I do a Web search for it?”

AT&T
2:11 PM
“I don’t understand "your latest results". How about I do a Web search for it? ”
No, that’s ok. I really just want some career advice. Am I on the right path to graduation?

AT&T
2:27 PM
“Sorry, I couldn't find a path to Graduation in San Diego. Would you like a directions to Graduation Drive in Virginia?”

AT&T
2:26 PM
“Sorry, I couldn't find a path to Graduation in San Diego. Would you like a directions to Graduation Drive in Virginia?”
Uh...

AT&T
2:28 PM
“Ok. Please work on this for next week.”

2:30 PM
“ Hello, good to see you again. How is your research going? ”

AT&T
2:31 PM
“Hello, good to see you again. How is your research going?”
Well, I didn't get much done.

AT&T
2:34 PM
“ Ok. That's just fine. I think you're doing great. ”

AT&T
2:35 PM
“ Ok. That's just fine. I think you're doing great. ”
Well, I'm just not really sure how to do this next analysis.

AT&T
2:37 PM
“ Ok. Don't worry about it. I know you'll get it...and if you don't that's fine, too. ”

AT&T
2:38 PM
“ Ok. Don't worry about it. I know you'll get it...and if you don't that's fine, too. ”
But how will I get our paper done in time?

AT&T
2:41 PM
“ Ok. You just relax, I'll write the paper. You should spend more time having fun. ”

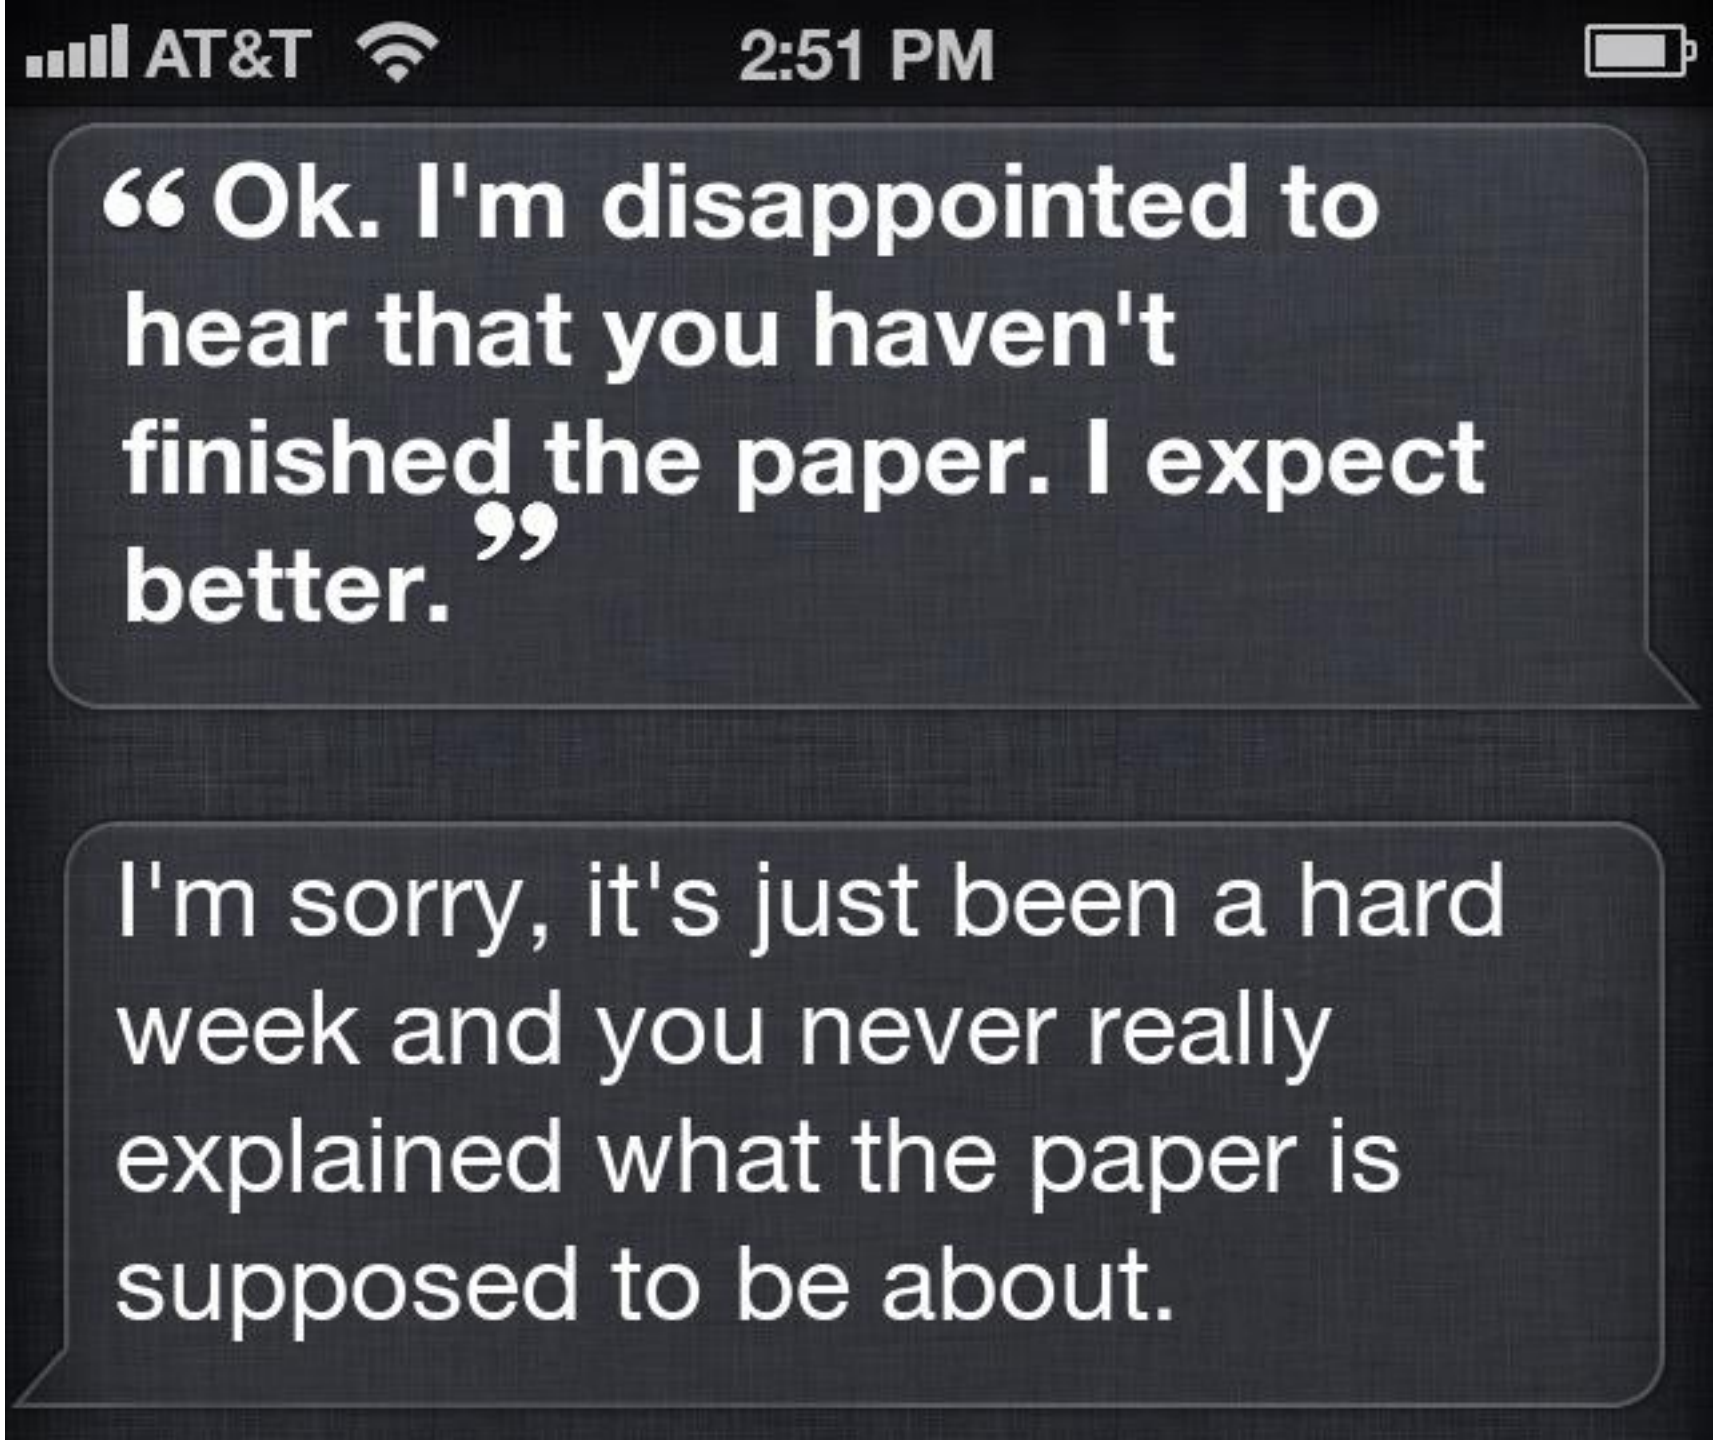
“ Hello, good to see you again. How is your research going? ”

AT&T
2:48 PM
“ Hello, good to see you again. How is your research going? ”
I did everything you asked last week. Here is the analysis you asked for with a proof of correctness and I made a prototype implementation,

AT&T
2:50 PM
“Ok. I'm disappointed to hear that you haven't finished the paper. I expect better.”



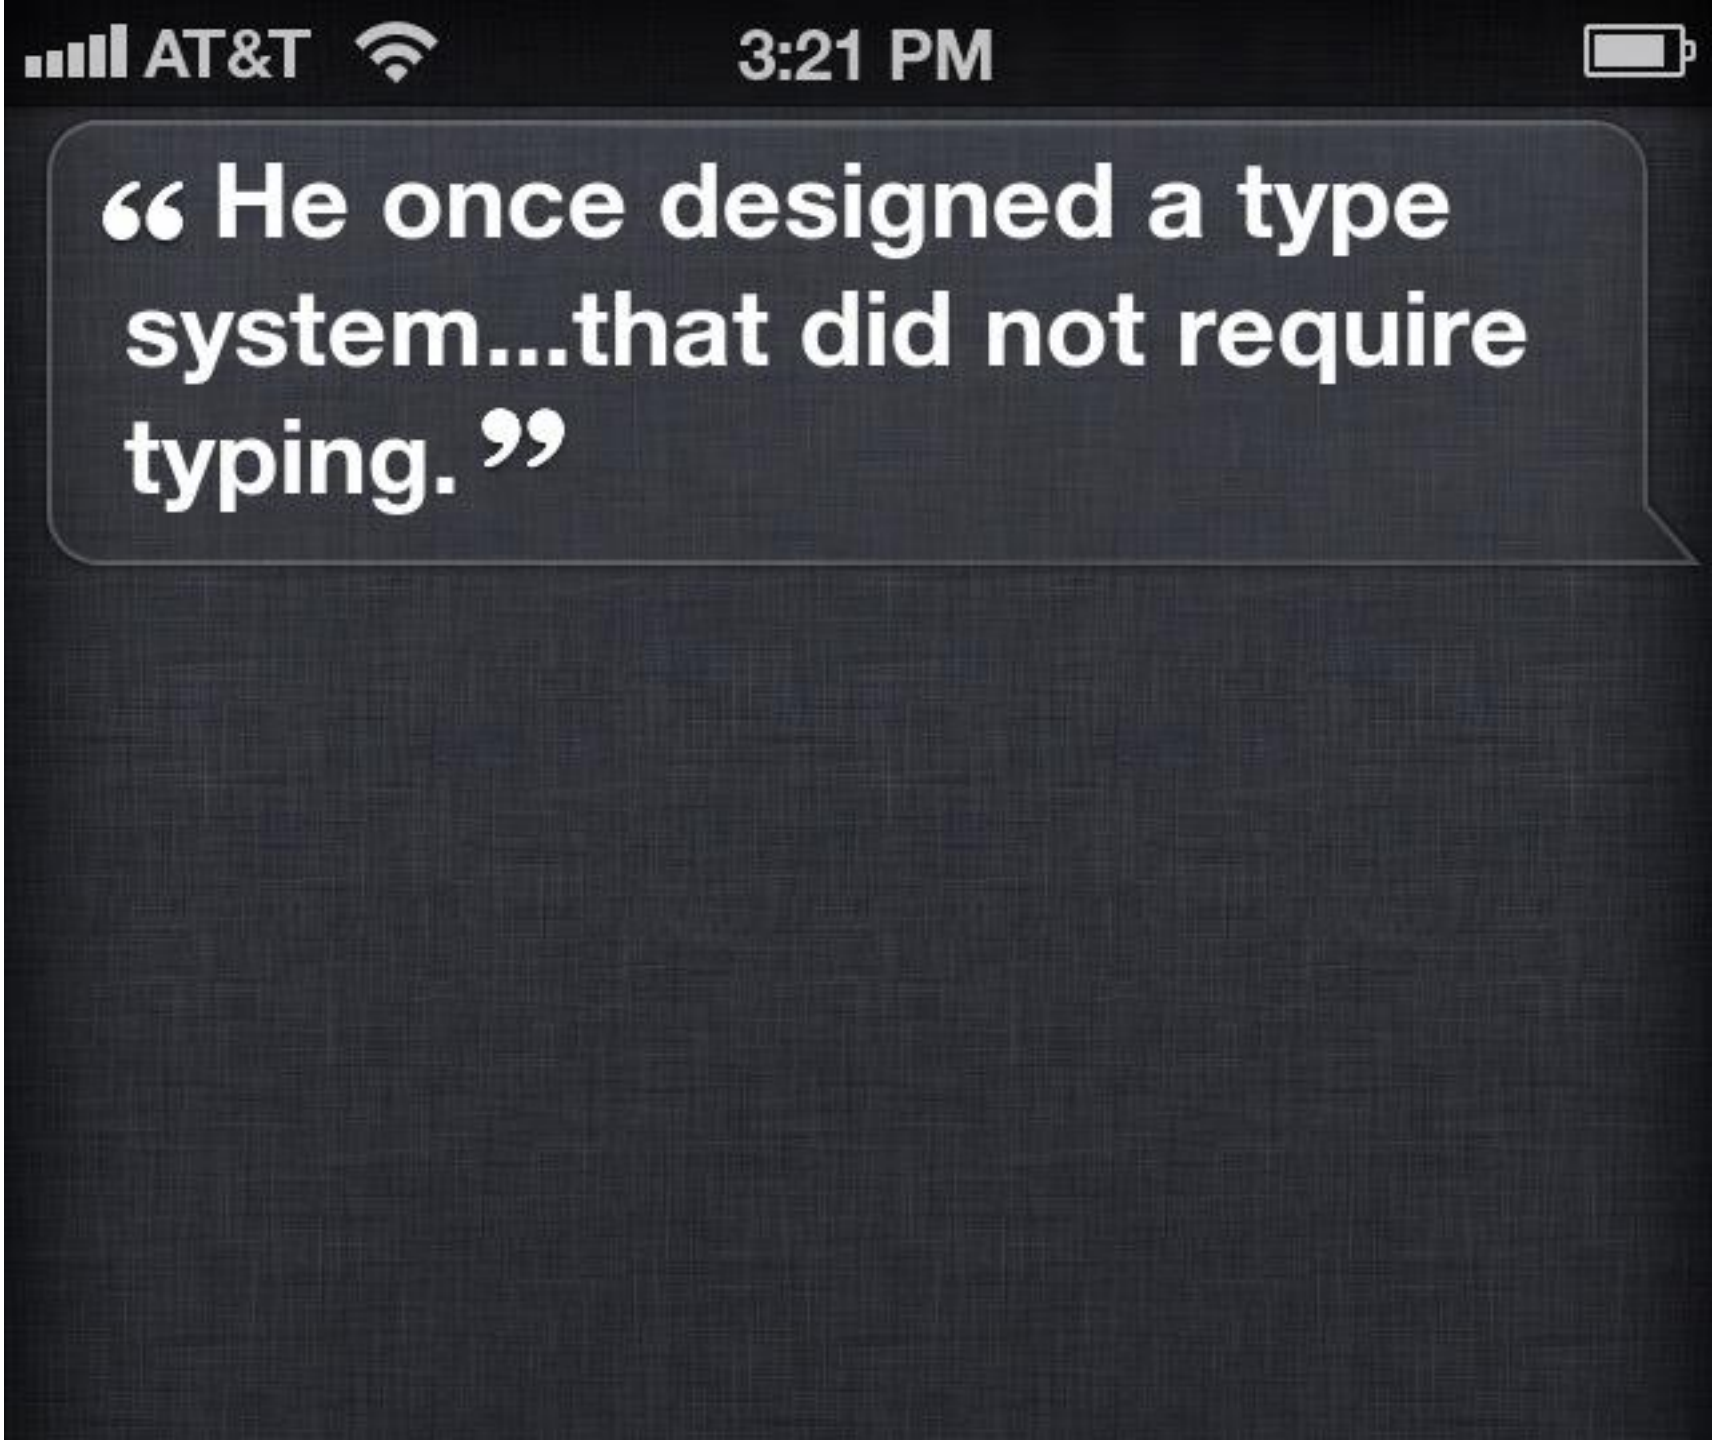
AT&T
2:51 PM
“Ok. I'm disappointed to hear that you haven't finished the paper. I expect better.”
I'm sorry, it's just been a hard week and you never really explained what the paper is supposed to be about.

AT&T 2:53 PM

“ Ok. I'm sorry it has been a hard week. Now that empathy is over, I have more work for you. Please make a presentation on your work for my sponsor, please grade these midterms, please teach my class and please write a paper for the deadline on Monday. Oh,

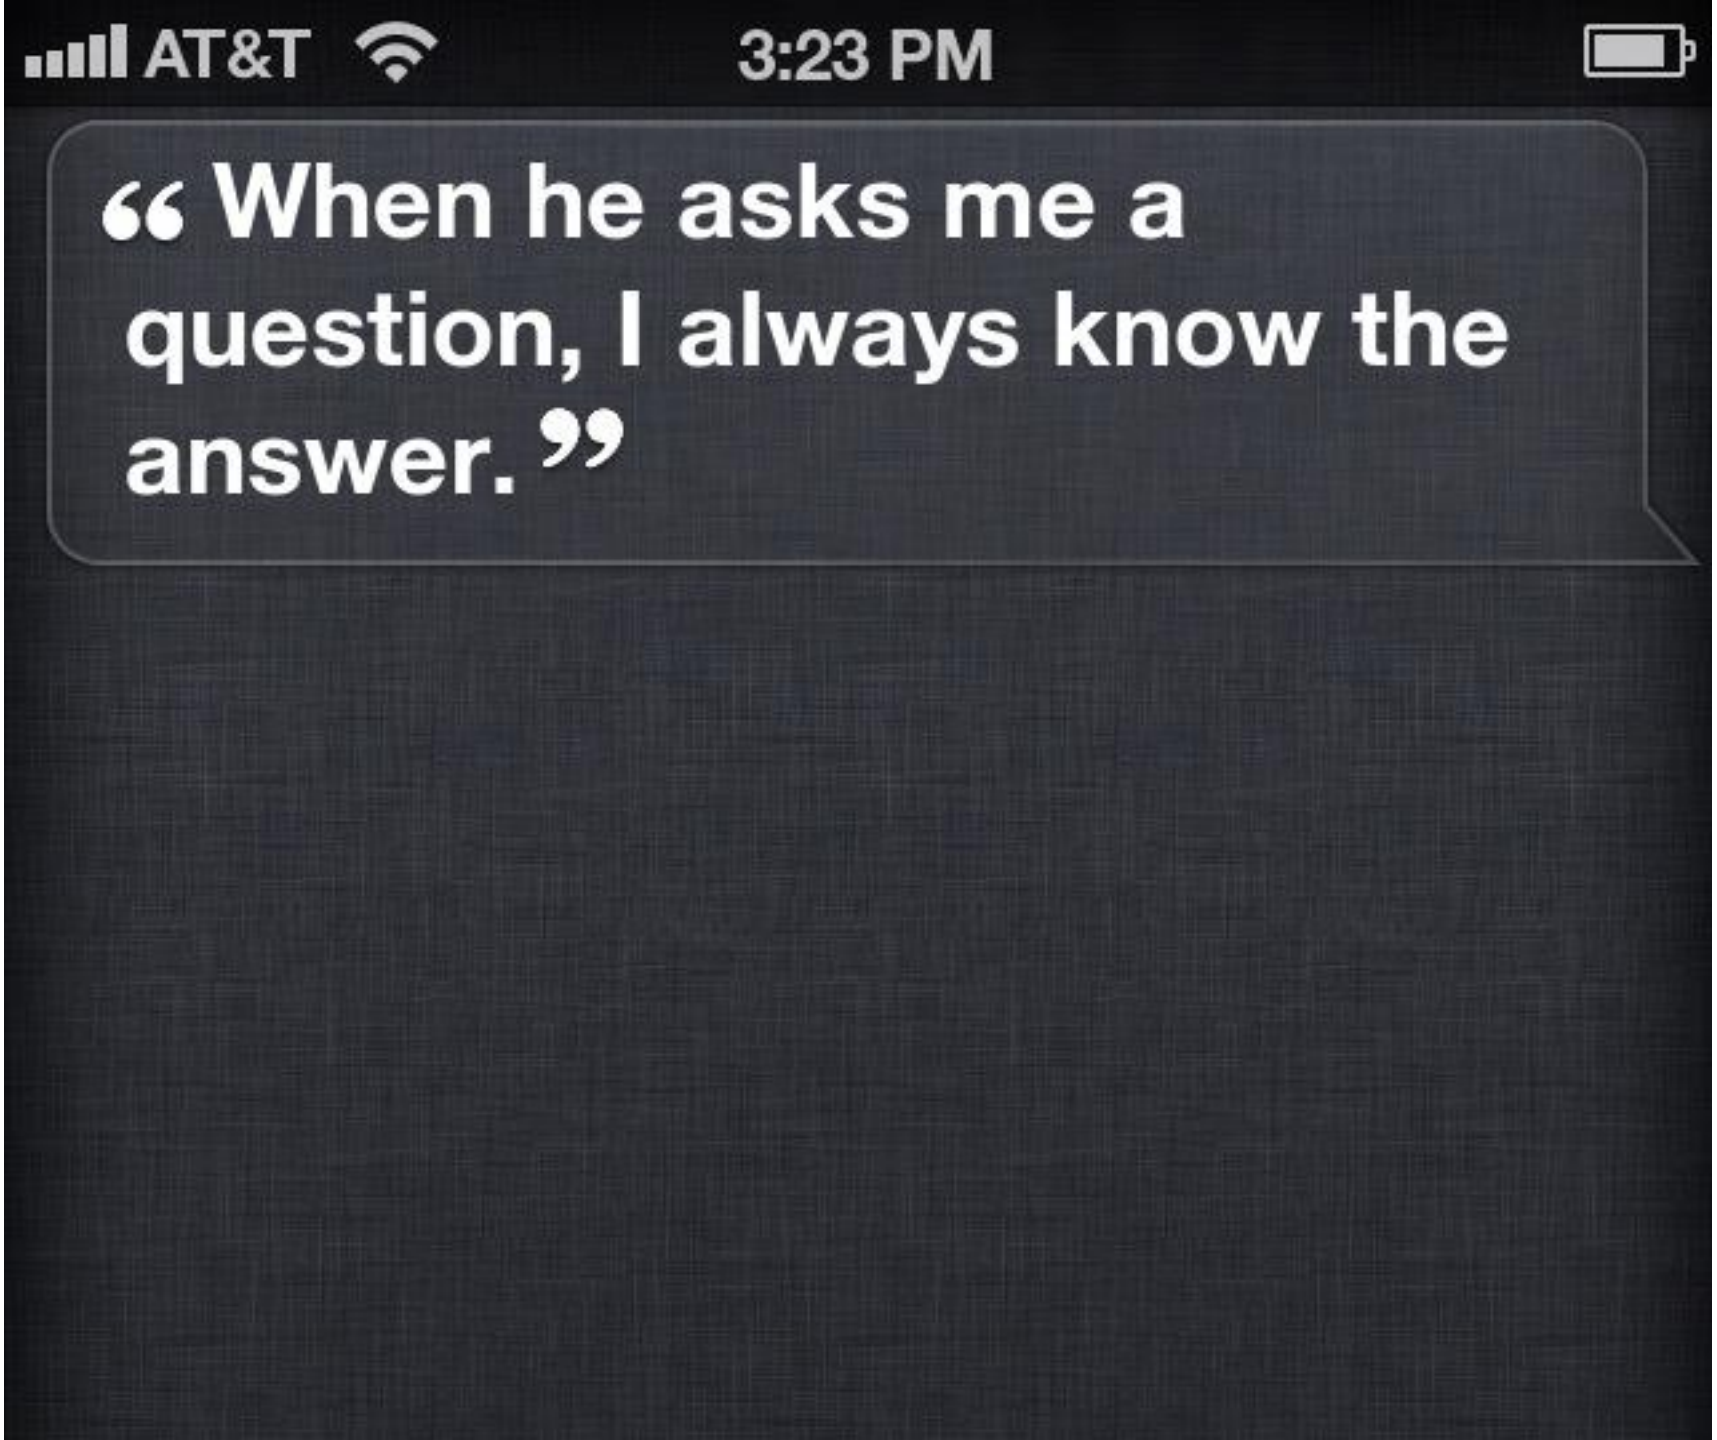
AT&T
2:57 PM
“ ...conference travel to the Mediterranean. ”
I'm not sure I can do all that.

AT&T
2:58 PM
“ ...conference travel to the Mediterranean. ”
I'm not sure I can do all that.
“ Good, please let me know when it's done. ”

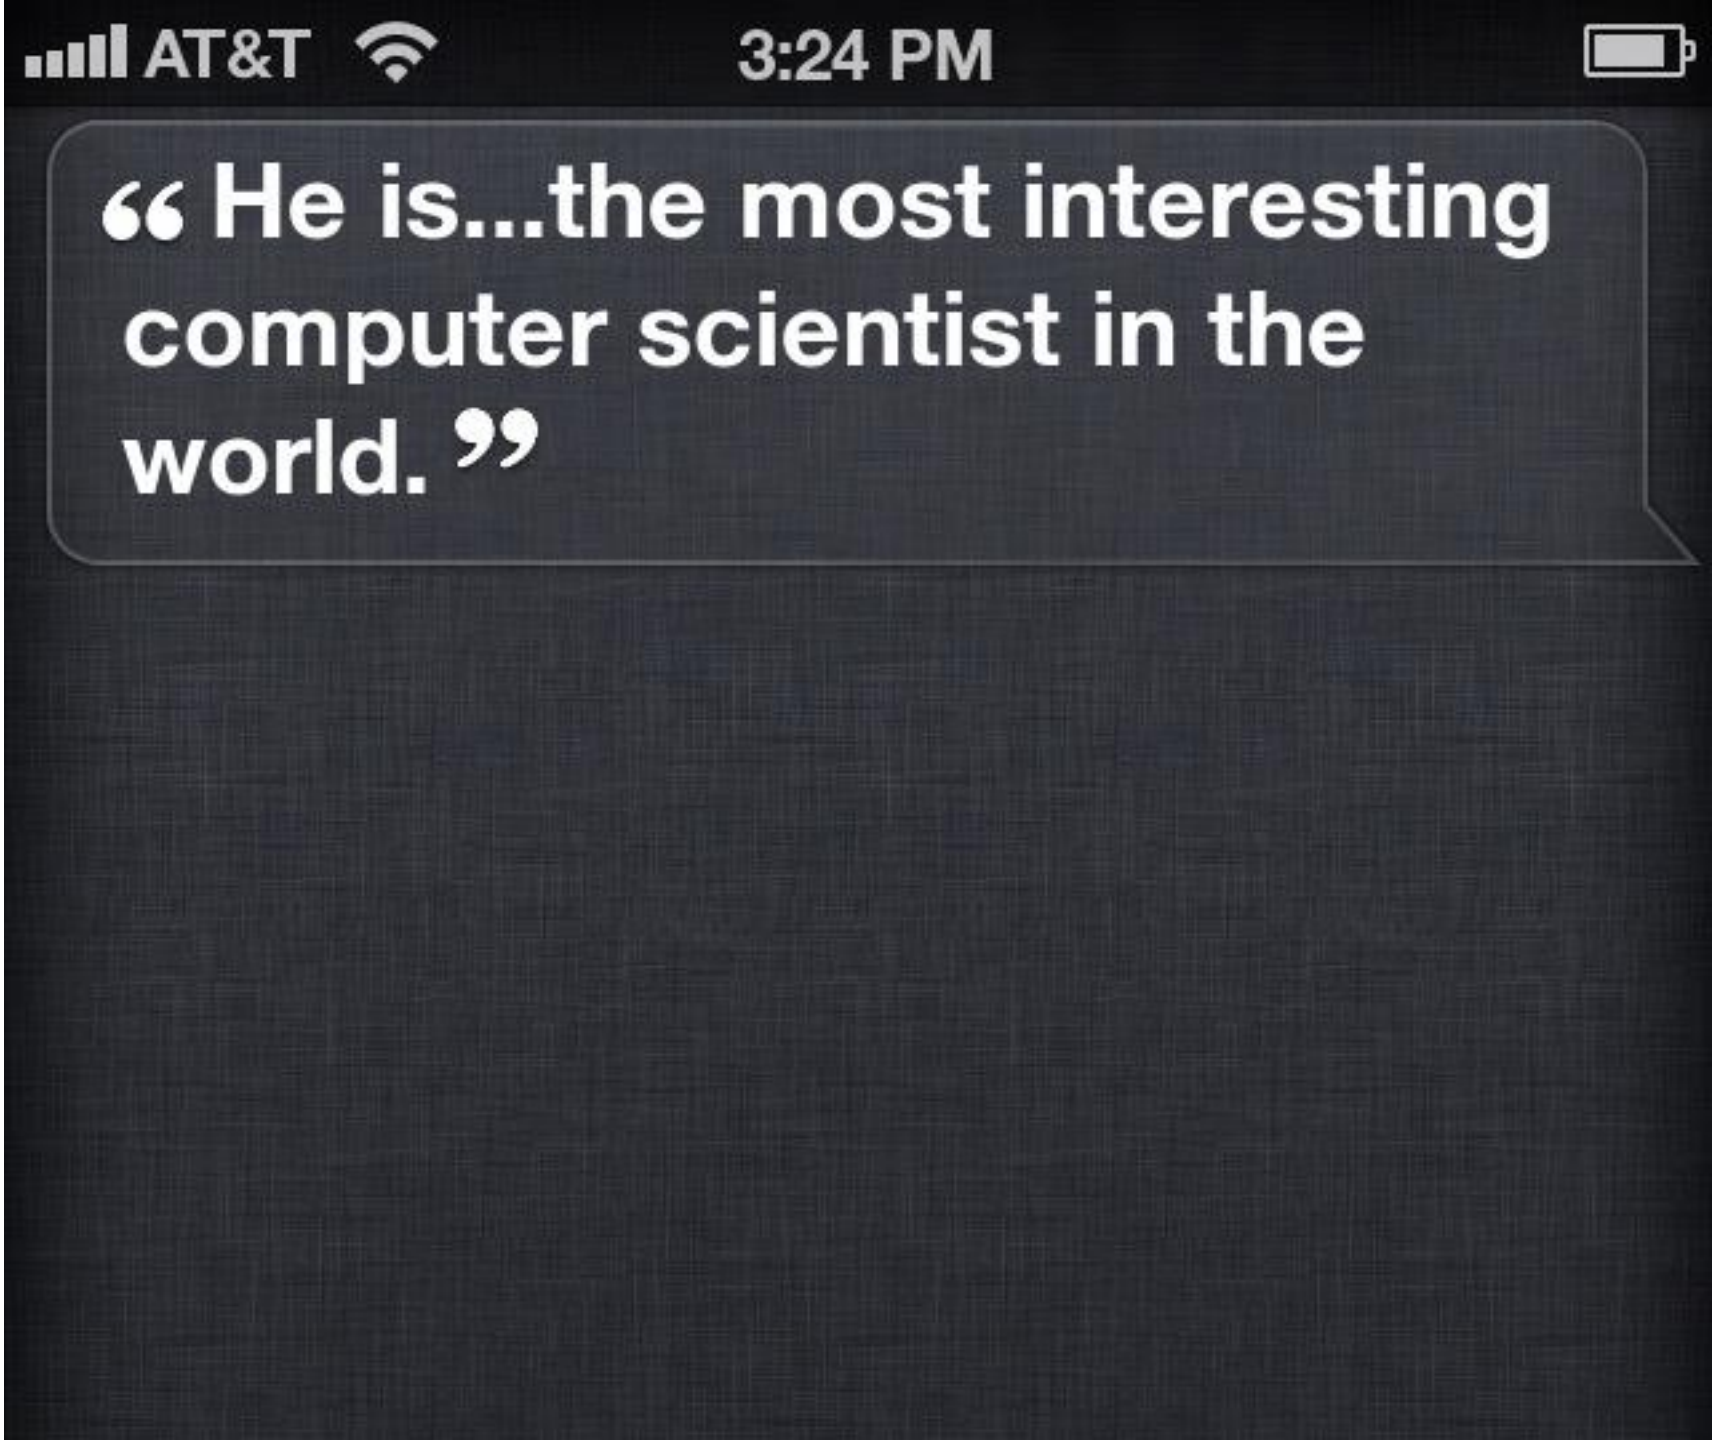


AT&T
3:21 PM
“ He once designed a type system...that did not require typing. ”

AT&T
3:22 PM
“He can see the pixels in a Retina display.”



AT&T
3:23 PM
“When he asks me a question, I always know the answer.”



AT&T
3:24 PM
“He is...the most interesting computer scientist in the world.”
